

Help us tell the world your story!

**UNION BLOCK
BRICK**

Ironworkers'

Local Union No. 401

Philadelphia, PA

Ironworkers
Walk of Fame

The Union Block Brick was designed at the request of Local Union #401, Philadelphia, PA. They requested a larger display to designate a particular area in the Ironworkers Walk of Fame for their group. The Village of Mackinaw City approved their design and will place this larger (16" x 16") display in a prominent place in the walk and arrange any subsequent Local Union #401 inductee bricks adjacent to it.

Your Local Union is also invited to participate in the Union Block Brick offer. This concept, designed by Local Union #401, will be used as a theme for the walk. With the purchase of a Union Block Brick, Local Unions will help the Village of Mackinaw City by designating an area for their members and at the same time create a walking theme to the monument area.

The revenue generated by the sale of paver bricks will be used by the Village of Mackinaw City solely for the construction of the ironworkers' monument, paver brick walkway, services associated with the production of the Ironworkers Walk of Fame induction ceremonies, location services and any subsequent property purchased for future development by the village for promotion of the Ironworkers Walk of Fame and or other related and or geographically adjacent endeavors, the general concept of which being set forth in the rendering attached hereto. Final approval of the monument has not been made and said details are subject to change. It is the intent that the Village will maintain the paver bricks and Ironworker's monument as public property.

**DESIGN YOUR
UNION BLOCK BRICK**

Please indicate how you want your brick engraved. Print one character (letter, number, punctuation mark or space) per space. Maximum 20 characters per line.

Line 1 - Ironworkers Logo
